

Imperial eyes Africa, South America

Dated: 27/02/2014 12:00:00 AM

OUTGOING Imperial Holdings CEO Hubert Brody says the group is "as entrepreneurial as ever" and has significant opportunities to grow in developing markets, including South America and Africa outside South Africa.

In Mr Brody's last results presentation as CEO on Wednesday – before Massmart and Transaction Capital nonexecutive chairman Mark Lamberti takes over next week – he announced an acquisition in Nigeria, and the group's entry into South America.
